The Muppets – professional party band based in Italy

Over the last few years, The Puppets have performed in the most prestigious clubs in Europe and entertained at countless weddings, private parties and corporate events all over the world.

Highlights include being invited by Red Bull, Pitti Immagine, fashion gurus like Tommy Hilfiger and Philipp Plein to animate their birthday parties. The band has also performed at the biggest luxury resort in Sharm El Sheik, Egypt, who invited The Puppets to perform as the principal band at their New Year's Eve party for seven years in a row.

The band's huge repertoire ranges from 70s disco to Rock 'n' Roll, from Italian evergreens to unforgettable 80/90s disco hits. But what makes The Puppets stand out is their Top 40 setlist, regularly updated with today's biggest dance and pop music hits.

The high-quality vocal performance and image of the two singers (Martina and Francesco) combining perfectly into a single dimension enhances the impact of the live show and gives the feel of a Dance House Club. The band is also known as the best party mash-up band Italy has to offer!

They also offer a DJ service and all sound and lighting equipment is included (unless specified otherwise in the quote).

*"Simply amazing wedding day!
